 - a. Letter to Town of Pasadena - Terry and Heather spoke to Town Council. Terry Randell spoke to us on behalf of Town of Pasadena and, in correspondence with Town Manager Brian Hudson, permanent signage for parking and access would be addressed in the Spring, after frost leaves the ground.
 - b. Fundraising - another dialogue ensued regarding fundraising in general. Norma spoke about themed-fundraising (ie. Terry Fox, Humanitarianism, etc). Discussion of advisory role of Council, CHOICE of sharing money or not, and such. Heather sent some emails to parent / guardian body to ask them about THEIR take on fundraising in the community. Will defer to Heather to hear of any responses at next meeting. ALL FUTURE FUNDRAISERS will continue as in the past with the knowledge that everything will be task-based. Kudos to Jennifer Anthony and fellow volunteers who raised over \$500 and some donations of books at Coles Book store in Corner Brook.
- 6. Subcommittee/Special Committee Reports**
 - a. Principal's Report - nothing to report to date
- 7. New Business: a)** Question re: pre-budget consultation vs time for Council involvement to support the school program. Norma spoke of staffing processes, School Profile process, and how allocations of staff and school funds align with enrolment. NLTA has encouraged teachers / staff to offer confidential input for pre-budget 2019. Terry referenced that any School Council could also submit pre-budget input in the same form. **B)** Paul referenced schools in Manitoba for how they address student movement need. Norma will broach topic with Service Delivery Team about other opinions and suggestions.
